The image shows a close-up of a hotel room's headboard area. The top portion features a wall with a repeating pattern of stylized, fan-like motifs in shades of blue and white, accented with gold-colored elements. Below this is a dark wood headboard with vertical slats. The word "Accommodation" is centered in white text across the headboard. In the foreground, a bed is visible with white linens, four white pillows, and two gold-colored patterned pillows. On either side of the headboard, there are control panels with circular buttons and electrical outlets.
