Captain Hans Trapp, seconded by his companion parrot Coco, casts off for **an unforgettable crossing**. This fresh water pirate who loves adventure and epic battles knows better than anyone **how to tell the secrets of Strasbourg and its treasure island.**

And **during the Christmas season**, Captain Hans Trapp helps out Santa in a **new adventure: "Where are the Christmas elves?".**

Passengers who already have a ticket or e-ticket are strongly recommended to arrive at the boat 15 minutes before the departure time indicated on the ticket.
